Instruction to the Student:

Student use this cover page for all the papers and units preferably. Use separate cover page for separate unit. The above required details should be filled in hand written. Put the page number in each additional sheet properly. For uploading, the answer scripts (containing all the pages in proper order) should be scanned in .pdf format and the size of scanned copy must be kept minimum with good clarity as there will be a limit of upload size.

Students should get the printout of this blank cover page (in A4 size only) and can make the required number of photocopies of the pages.
