**Resolution 1:** By viewing the increasing status of COV19 infection, the Govt. of west Bengal notify to close all the academic institution for 15 days. The members opined that if this situation continues for long time the some measures should be taken to continue the academic activities of the college for the benefit of the students.

**Resolution 2:** If the disease continues for long time the institute should take measures for academic purpose.

1. Opening of Whatsapp group of the students semester wise in all the departments
2. Initially, study materials and other information should provide the students through this group.
3. Faculty member of all the departments should take initiatives in this situation by regular contact with the students.
4. Teachers should aware the students regarding the precautions taken during this period following guideline of WHO and Dept. of Health, Govt. of India and West Bengal

**Resolution 3:** It is requested in the meeting that to upgrade our college online software system (student portal) should be upgraded and it will be more user friendly. So that the student will get information's, study materials and e-contents for their study. Without it, the students can also submit their assignments through the portal. Now, the principal is requested to tale necessary steps for upgrading the existing software system of the college.
